FROM: Bruce McAllister, Project Manager, Dillon Consulting Limited
DATE: November 24, 2014
SUBJECT: Ministry of Natural Resources and Forestry (MNR) Natural Heritage Assessment (NHA) October 31, 2014 Confirmation Letter for the Windsor Solar Project
PROJECT #: Windsor Solar Project (14-9152)

The purpose of this memo is to note that there was a minor design change to the Windsor Solar Project layout after the October 31, 2014 MNR Confirmation Letter was received. These changes did not require any revisions to the Project Location boundary and did not require changes to the information related to natural features in the Natural Heritage Assessment (NHA). To ensure consistency across all reports, the Natural Heritage Assessment reports have been updated to reflect this minor layout design change and re-submitted to the MNR. The proponent has requested that this Confirmation Letter referencing the date of these updated NHA reports.
